I am writing to request a modification of bail in the above case. Mr. Crenshaw's current bail conditions limit his travel to New York and the Eastern District of Missouri. In order that he can spend the holidays with his family after being deployed overseas for the past fifteen months, we request that he be allowed to travel by car to Colorado Springs, Colorado. As he will be traveling by car, he will pass through Ohio and Kansas. After spending a few days in Colorado Springs, Mr. Crenshaw will then drive to Kansas City and Charleston, Missouri. We will provide a detailed itinerary of the trip to Pre-trial Services. AUSA Christine Wong has informed us that the government consents to this request.

Respectfully,

Lawrence D. Gerzog
